
EVERMAN INDEPENDENT SCHOOL
DISTRICT

“Bulldogs Take A Stand”

In compliance with House Bill (HB)1942

Overview

The Everman Independent School District is committed to providing a positive learning environment for all students that enhances personal safety and promotes respect, dignity, and fairness among students. High standards are expected for both academic achievement and for behavior.

EISD strives to ensure that all of its students and employees are free from bullying, sexual harassment, and dating violence. All charges of bullying, sexual harassment, and dating violence are to be taken very seriously by students, faculty, staff, administration, and parents/guardians. EISD will make every effort to handle and respond to every charge and complaint filed by students and employees in a fair, thorough, and just manner. Every effort will be made to protect the due process rights of all victims and all alleged perpetrators.

Bullying is defined engaging in written or verbal expression, expression through electronic means, or physical conduct that occurs on school property, at a school-sponsored or school-related activity, or in a vehicle operated by the district:

- Has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property; or
- Is sufficiently severe, persistent and pervasive enough that the action or threat creates an intimidating, threatening or abusive educational environment for a student

Cyber-bullying is defined the use of information and communication technologies to support deliberate, repeated, and hostile behavior by an individual or group, that is intended to harm others. "Cyber bullying" is when a child, preteen or teen is tormented, threatened, harassed, humiliated, embarrassed or otherwise targeted by another child, preteen or teen using the Internet, interactive and digital technologies or mobile phones.

Harassment is defined as conduct that threatens to cause harm or bodily injury to another student, is sexually intimidating, causes physical damage to the property of another student, subjects another student to physical confinement or restraint or maliciously and substantially harms another student's physical or emotional health or safety.

Sexual harassment is conduct that is severe, pervasive, and objectively offensive in such a manner that it can be said to deprive the victim of access to the educational opportunities or benefits provided by the school. It is a form of harassment that includes touching someone in ways that are not wanted, sexual jokes, pressuring

someone to have sex, threats or intimidation from a dating partner, or any other form of harassment of a sexual nature that would make a reasonable person uncomfortable.

Dating violence is defined as the intentional use of physical, sexual, verbal, or emotional abuse by a person to harm, threaten, intimidate, or control another person in a dating relationship. Dating violence is a pattern of coercive behavior that one partner exerts over the other for the purpose of establishing and maintaining power and control.

Sexual violence is defined as sexual assault, sexual abuse, or sexual stalking of a minor child or teenager, including sexual violence committed by perpetrators who are strangers to the victim and by perpetrators who are known or related by blood or marriage to the victim. This definition includes behavior including but not limited to incest, molestation, child abuse, stranger rape and non stranger rape.

Students who believe they have been harassed bullied, or otherwise victimized by fellow students or EISD employees are encouraged to promptly report such incidents to the campus principal or other campus professional. To the greatest extent possible, complaints shall be treated as confidential. Limited disclosure may be necessary to complete a thorough investigation.

A student or parent/guardian who has a complaint alleging bullying, harassment, dating violence, or sexual violence may request a conference with the principal or the principal's designee. If the student or parent/guardian is not satisfied with the response from the campus staff, they may request a conference with the EISD's Title IX Coordinator, Mr. Curtis Amos, Assistant Superintendent for Student Services and Operations.

Complaints will be documented and investigated in accordance with EISD policy and guidelines. Any staff member who observes an incident that involves physical or sexual assault or threats will report the incident immediately to the principal. Any staff member who learns of an incident or threat may submit a Complaint Form on behalf of the victim.

Campus Complaint Procedure:

- 1) Students and staff members may report their complaint orally to a campus professional or by completing an Incident Report Form available in the school's main office.
- 2) The Complaint Form will be submitted to the principal or designee immediately.
- 3) The principal or designee will investigate complaints by meeting separately with each student involved in the situation.
- 4) The principal or designee will conference with the victim and parent/guardian to discuss safety and community resources.
- 5) The principal will conference with the alleged perpetrator and parent/guardian to discuss appropriate behaviors and consequences. With the prior consent of the victim, the principal may issue a School-Based-Stay-Away Agreement or a Pledge to end Bullying and Harassment Agreement to the alleged perpetrator during the parent/guardian conference.
- 6) Documentation of all Complaint Forms, follow-up actions and Stay-Away Agreements will be kept on file in the Principal' office or designee's office.

Everman ISD Student-on-Student Altercation Response Plan

All Charges or reports of a student-on-student altercation (e.g., sexual harassment, harassment, bullying, dating violence, or sexual violence) should be referred to the appropriate district official in accordance with Board Policy FFH (LOCAL). This plan has been provided to assist the district official in ensuring that necessary steps are taken when incidents have been brought to the principal's attention. To the greatest extent possible, confidentiality should be maintained when investigating reports.

1. Take necessary steps to separate alleged perpetrator and victim.
2. If the altercation is assaultive in nature, see legal and policy guidelines for reporting and discipline, as well as CPS requirements.
3. **VICTIM:** Conference with the victim outside of the presence of the alleged perpetrator. Use every reasonable effort to protect the due process rights of the alleged perpetrator. Contact parent/guardian. The student may be accompanied by a parent/guardian or other representative.
 - a. Provide the parent/guardian and /or student with a "Notice of Parent and Student Rights." Inform the student of his or her right to file a complaint alleging sexual harassment directly with the Title IX coordinator. Obtain signature if possible.
 - b. Assist the student in documenting the incident on a complaint form. If the student or parent/guardian declines to document the incident, note this on the complaint form.
 - c. Identify immediate actions that can be taken to increase the victim's safety and ability to participate in school without being subject to harassment. Refer the student to a school counselor as appropriate.
 - d. Record your observations related to the student conference.
4. **ALLEGED PERPETRATOR:** Conference with the alleged perpetrator out of the presence of the victim. Use every reasonable effort to protect the due process rights of the alleged perpetrator. Contact parent/guardian. The student may be accompanied by a parent/guardian or other representative.
 - a. Allow the student an opportunity to respond in writing to the allegations.

- b. Provide the parent/guardian and /or student with a “Notice of Parent and Student Rights.” Obtain signature if possible.
 - c. Refer the student to a school counselor as appropriate.
 - d. Record your observations related to the student conference.
5. Further investigate the complaint by interviewing any witnesses separately. Document findings.
6. Communicate in a confidential manner with the Superintendent, principal or designee.
7. Make determinations regarding alleged conduct, ordinarily within 5 (five) days. If extenuating circumstances delay the investigation, inform the victim and parent/guardian. Record determination and actions, as follows:

Findings indicate that a student-on-student altercation occurred.

If you are unable to determine that inappropriate behavior occurred, but there has been a determination that the situation justifies the communication of warnings, recommendations, and/or information regarding support services, then those measures should be followed.

8. After determination made:
- a. Give notice of the outcome to the parties—follow FERPA guidelines.
 - b. Advise the parents and students that they may appeal the decision of the principal or designee regarding the outcome of the investigation into the allegation. PLEDGE TO END BULLYING AND HARASSMENT

Everyone has the right to feel physically and emotionally safe at school. As members of the Everman Independent School District community, we must do everything we can to treat others with respect and to accept everyone regardless of our differences.

Bullying happens when, at school, at a school-related or -sponsored activity, or in a District-operated vehicle, a student or group of students engage in intentional behavior meant to harm another student or place a student in fear of harm. It can take many forms, such as verbal or physical aggression, and can even occur electronically, which is called cyber bullying. It involves an imbalance of power between the students and disrupts the school environment.

Examples of bullying and other harassment include threats, taunting, teasing, assault, demands for money, stealing someone's property, name-calling, rumor spreading, and isolating a student from others and could be based on a person's race, gender, color, disability, or other factor.

The District will discipline any student who engages in bullying, harassment, or other related misconduct. Consequences of this behavior may include removal from the classroom to a disciplinary placement, a change in classroom, or even a change in campus. Severe behavior may result in expulsion, and law enforcement will be contacted if a student is thought to have engaged in illegal conduct.

It is important to review the District's policies at FFH and FFI that address prohibited conduct and bullying.

Student's responsibility:

"I commit that I will not bully or harass my peers and understand that, if I do engage in this behavior, I will be subject to consequences. If I witness bullying or any other type of harassment, I will report it to my parent, a teacher, or another school employee."
