Dear Parents and Athletes,

In a continued effort to protect the health and safety of our student athletes and staff, the Everman athletic department in consultation with our district administration has determined it is in everyone’s best interest to immediately suspend all summer strength and conditioning until further notice.

This decision is based on the fast growing number of COVID-19 cases in our area and the increased number of hospitalizations as a result. We continue to encourage everyone to follow the CDC recommendations regarding quarantine guidelines and social distancing. We also encourage everyone to follow the Tarrant county order regarding the use of masks.

Coaches will be in contact with student athletes to provide support in continuing individual workouts. The district and the athletic department will continue to monitor the situation and will provide additional information as needed.

Sincerely,
Dale Matlock
Athletic Director
