

TOWNLEY ELEMENTARY LEAD PROGRAM: LEARNING WITH EXCELLENCE, ACHIEVEMENT AND DETERMINATION

What is the LEAD Program?

The LEAD Program is a school restart program that will be launching in 2021-2022 at Townley Elementary. The LEAD Program is a new approach to education, which focuses on identifying specific staff members who will best fit the individual needs of the students at Townley. It then ensures every student is supported academically, socially, and emotionally in order to reach his or her greatest potential.

What is the purpose of the LEAD Program?

The LEAD Program will inspire students to achieve academic excellence, close academic gaps, provide expanded opportunities for growth, and support innovative enrichment opportunities. The LEAD Program also seeks to increase student access to high quality, high performing campuses in EISD. The goal of the LEAD Program is for Townley Elementary to be a B-rated campus in two years.

What Students will attend the LEAD Program?

The LEAD Program will serve the students who are zoned to the Townley attendance area.

Who can work in the LEAD Program?

Highly qualified teachers and staff who are passionate about providing the highest quality education and closing academic gaps for the students of Townley. Teachers and staff must commit to additional Professional Development, Required Tutoring, Extended Day/Year. LEAD Program employees will receive stipend and incentive pay. Applicants will be required to meet specific qualifications to be eligible as a LEAD staff member.
