Safe and Drug Free Plan

The Everman Joe C. Bean High School and Jefferson Davis Ninth Grade Center will Continue its ongoing efforts, as in the past, to promote an environment that is Safe and Drug-Free. Both campuses will place Safety and Drug- Free environment as their highest priority. Both campuses understand and accept in full, the responsibility of these charges. The welfare of those who work, attend school, and/ or visit our campuses, shall have the reassuring confidence of knowing, no efforts will be spared in achieving a Safe and Drug-Free campus. While academic rigor along with the highest expectation for success will be sought for all students; we believe a Safe and Drug-Free environment provides the best foundation and support to achieve these outcomes.

Avenues to Accomplish a Safe and Drug-Free Campus

- Seek research based information that has shown to yield successful outcomes
- Involve community leaders as role model for students
- Involve community leaders as mentors for students
- Seek speakers with the expertise to entertain questions that students may have about drug use and abuse
- Use current classroom curriculum that offers student specific instructions about Safety and Drugs
